*This Bibliography is taken from *Mysticism And Prophecy The Dominican Tradition* by Richard Woods OP (1998) Darton, Longman and Todd Ltd ISBN 0-232-52225-1*

There are very helpful bibliographies of older and recent works in English in Benedict Ashley OP, *The Dominicans and Spiritual Direction in the Dominican Tradition* (see below). With regard to more specialist areas, particularly in the medieval tradition, extensive bibliographies can be found in the books by Tugwell, McGinn, and Noffke. The following works represent a basic list of reference works, some of which are listed in the books just named. I have also included works that were published afterwards or which are useful sources in regard to subjects in this volume.

I. – GENERAL

Ashley, Benedict, OP, *The Dominicans* (Collegeville, MN: Liturgical Press, 1990). An excellent brief history of the Dominican Order. Similar to the short history by Hinnebusch, it is fuller and more accessible as well as up-to-date.
